**Conservation
By Rich Wells**

Project Owl Net Twenty-two saw-whet owls were banded in 2021 as part of project Owl Net. In 2022 twenty-seven saw-whets and one screech owl were banded. Three of the saw-whets were already banded in 2021, one at McConnellsburg, PA and another at Milford, Ontario. No data was on the third owl. This year the Concord banding station received a donation of six mist nets. These nets will allow the station to join a national banding program called MAPS. The MAPS project focuses on local birds and their breeding success. Thank to the banding crew: Jon Clarkson, Jen Reisdorf and Tammy Klonowski.

**Club Member's Child Scholarship
Application 2023**

The club provides a \$250 scholarship for an individual high school senior planning on attending a college in the fall if their parent is an active member of the Springville Field and Stream. The applicant must have worked at least two of the club's functions/workdays in the previous 2 years.

The Student must meet certain criteria and write a letter to explain their goals for continuing education as they relate to the Springville Field & Stream Club's main objectives.

The application and letter are due Friday June 2nd. If you have a student meeting the above criteria, please contact Gerry Andrews or Richard Kazmark (592-3849) for a complete application packet.

**Open Trap Starts Tuesday June 6th
and will run every other Tuesday
from 6-8 pm**

**Contact Mark Grigsby or
Mark Drews for more information**
